

Solar Decorative LED Catalog

产品详情

Specifications:

Charging mode: solar energy

Lighting time: 8-10 hours

Lifespan: 50000 hours

Voltage: 1.2V

Waterproof: IP65

GPS-2348

LED OWL Garden light

产品详情

Types: Camping Bulb Light / LED Emergency Bulb Lamp

Power: 7W

SMD QTY: 20pcs

Brightness: 420LM

Input Voltage (V): AC175-265V 50/60Hz

Lithium Battery: 1200mA/3.7V

Energy Saving: $\geq 80\%$

Lifespan: 8000hrs

Size: Standard A21 shape with a medium E27 screw base.(suitable for most homes)

GPS-0363

Solar hanging Garden light

产品详情

Easy to install and use as no wiring is needed.

Ideal for areas where conventional electrical supply is not available.

Bulb dangles from a clip that easily attaches to a patio umbrella or awning.

Adopts 4 LED as light source, eco-friendly, low power consumption and durable.

Recharged by solar panels under sun light, can lights up about 6-10 hours if fully charged.

Condition: 100% Brand New

Material: PP

Light Color: Warm White/Cold White/Multicolor

Light Source: 4 LED

Power: 0.6W

Waterproof Level: IP65

LED Solar Buried Light Under Ground Lamp

产品详情

Light Source: 6LEDs x 2lumen

Solar Plate: Poly-Silicon 2V/155mA

Waterproof: IP55

Material: ABS+PC

Working Temp.: -20°C -- +50°C

Charging Time: >6h

Run Time: >8h

Accumulator Info.: Ni-MH/AA/1.2V/1000mAh

Power: 0.6w 17%efficiency

Lighting Modes: Warm White/ 7 Colors Rotate

Net Weight: 102g
