## 2 WIRES RICE BULB ROPE LIGHT

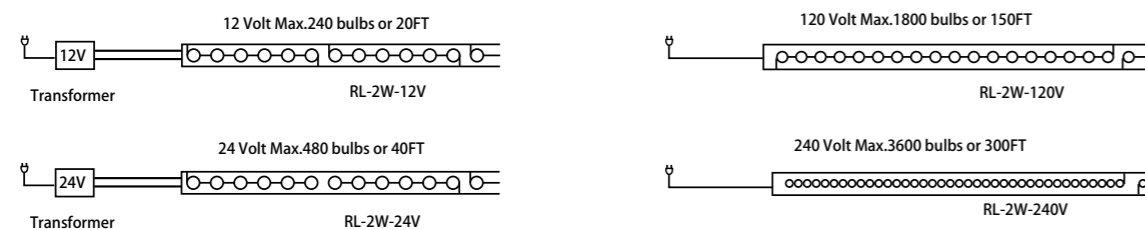

Rope light is so popular for advertisement, hall room, club and building's indoor and outdoor decoration. It is processed with carefully selected PVC materials as well as high quality of wire and miniature bulbs.

Rope light is flexible enough and strong enough to be bent into any shape without breakage.

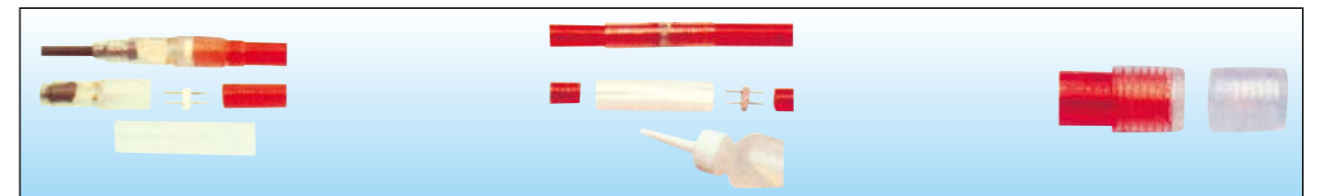

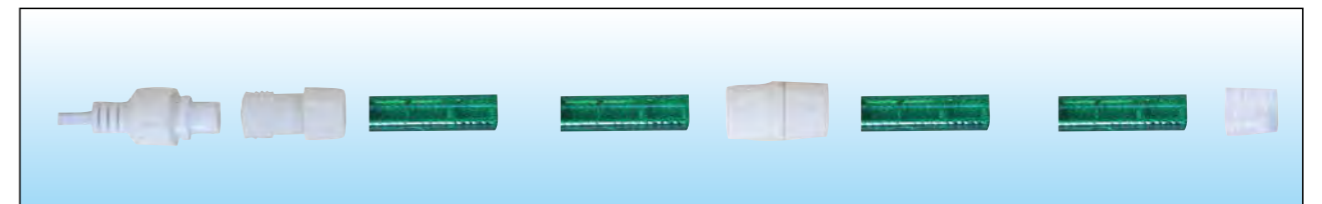

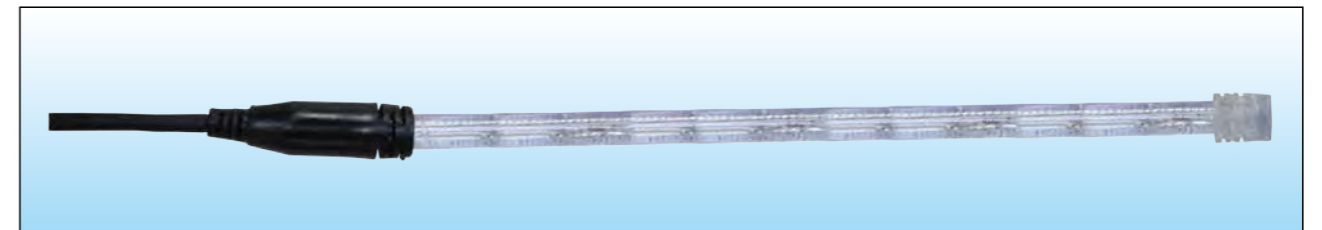

Rope light can stand 40kg/cm<sup>2</sup> pressure, the range of temperature is -40°C to 70°C.

It's very beautiful within water/ice, power of per meter lower 16.3W.

We can offer you the vertical bulb and horizontal bulb, You can choose any of them.
