SMOKELESS FIRE PIT

QUALITY OUTDOOR LIFE

SMOKELESS FIRE PIT

Product Spec:

- **DUAL FUEL** - Use either, or both, standard firewood and/or wood pellets to generate a significant amount of heat.
- **EFFICIENT DESIGN** - Innovatively double airflow combustion system for better fire, low smoke and less ash
- **HIGH HEAT** - New patent pending airflow system allows for incredibly efficient burns, achieving 6'-8' heating area for your backyard campfire
- **CONSTRUCTION** - Double wall design made with stainless steel and HEAVY-DUTY steel coated in high temperature paint for a long life.
- **ERGONOMIC DESIGNED** - bottom ash tray for easy cleanup
- **EASY TO ASSEMBLE**
