- Low Power Consecutive Heating
- Half Bridge 2 Core Techlogy

Safety function:

- Pan Detection
- Overheat Protection
- Automatic Switch Off Without Pots

BOARD AND BUILT IN DESIGN

More choice for user

Parameters

Cooker Dimension:	380x465x162mm
Inay Dimension:	425x340mm
Quantity for container:	20'f:606pcs 40'f:1256pcs 40HQ :1406pcs
Rated Voltage:	220-240V~
Rated Power:	3500W
Net weight:	About 7.6kg
Carton Size:	380x465x170mm
Master Carton Size :	543x439x471mm

Customized:

Main features:

- Single induction cooker
- Board and built-in design
- Tempered glass
- Touch control
- LED display
- Timer
- Stew / Stir fry
- 200W low power continuous heating

Safety function:

- Pan tetection
- Overheat protection
- Automatic switch off without pots

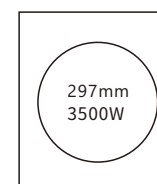

Touch and knob control

500W low power continuous heating

Parameters
