

Air Fryer Catalog

A photograph of a roasted turkey, likely prepared in an air fryer, surrounded by fresh orange slices and sprigs of rosemary. The turkey is golden brown and has a crispy skin. The background is a dark, solid color.

Air Fryer

2.0L-3.0L

AIR FRYER

- AC 220-240V 50Hz 900W
- 2.0L cooking capacity adding water area
- 30 or 60 min timer for a variety of ingredients
- Mechanical knob control, accurate control of cooking time
- 360 ° high-speed hot air circulation, oil-free and healthy
- The multifunction for deep frying
broiling, baking and drying
- Over heating protection
